

SERVE

Back-to-school time is quickly approaching along with a new ministry year for AWANA, MOPS, Discovery Town and our nurseries. Many volunteers are needed to meet the needs of the families and children who participate. Time commitments vary. Consider the following opportunities:

AWANA: guiding children from age 3-grade 6 as they memorize Scripture and participate in Wednesday night club activities from Sept.-May. Current needs include **small group leaders**

especially for Sparks (K-grade 2) and T&T (grades 3-6) and

administrative helpers

who can keep records, take attendance and oversee our club bookstore. Contact Greg Livingston.

Discovery Town: leading **small group instruction** each Sunday, 9:45-11 am. Lesson guides are provided. Leaders are needed for the 2nd/3rd and 5th/6th grade groups. Contact Pastor Jeff.

MOPPETS: providing loving care for infants, preschoolers and home school children while their mothers participate in MOPS/MomsNext activities on 1st & 3rd Thursdays, 9:30-11:30 am beginning Sept. 6. Snowbirds are welcome to serve when they are in the area. Contact Gretchen Benson.

Nursery: providing loving care for infants and toddlers while their parents worship and grow in services and classes. Our rotating schedule allows volunteers to serve one Sunday every 3-4 weeks during either the 8:45 or 11 am worship services or during the 10 am Christian Education hour. Contact Leah Watkins.
